

Join Us for the Women Building Success Info Expo

March 11, 2021 | 4:30 – 6:30 p.m.

On March 11, women interested in a future construction trades career are invited to begin building future success!

- Learn from women currently in construction occupations
- Discover how Registered Apprenticeship will advance your career

Event Schedule

4:30 – 5:30: Webcast: Panel, hosted by Apprenticeship Minnesota at the Department of Labor and Industry. Overview: The panel discussion will focus on women in registered apprenticeship in the building and construction trades. Attendees will learn about the earn-as-you-learn apprenticeship model and hear from women in registered apprenticeships in the building and construction trades. Representatives from Women Building Success and Building Strong Communities will also discuss their program initiatives which focus in increasing diversity within the building and construction trades.

5:30 – 6:30: Guests visit Registered Apprenticeship Programs in the Virtual Interactive Event Space

Virtual Event Connections

- Join by phone, mobile device, or computer with internet access
- Log in to interact with exhibitors by Chat and Video Interviewing
- Exchange your resume and apply while at the event
